 <p>Dr. Meehan Punnen Ph.D. (Counselling Psychology) Clinical Supervisor, RPC</p>	<p>Registration Deadline is Saturday, November 24, 2018 Workshop Fee: Rs.1800.00 per participant.</p>	
<p>How will this workshop benefit me? Social and behavior skills are essential for lifelong success, but kids with special needs have skill deficits that could later translate into communication, occupational challenges. Social Stories are a great way to help teach communication strategy to enable students to understand a situation, skill or concept and to guide higher behaviour. When potential social skill deficits and developmental delays have been identified, implementing corrective strategies as soon as possible will accelerate the child's progress. At this workshop you will be interacting with a highly experienced team: who will share with you evidence based and state of the art techniques and strategies that will benefit you as well as the families you work with. Will I get any resource material? Resource materials such as hand outs, relevant data collection sheets and sample items will be handed out, at the workshop.</p>	<p>30 SEATS Register Early! +91 9526582590* facebook.com/indiaautism simmi.rpc@gmail.com www.indiaautism.com Ponpuzha Towers, Market Road, Mallappally, Pathanamthitta, Kerala, India</p>	<p>Inaugural address & Resource Person Dr. DESH KEERTI MENON Former Director NIEPID, Hyderabad For Special Educators, Professionals, School Teams, Administrators, Teacher's Assistants, Parents, Caregivers and Students Earn RCI CRE Credits</p>
