

National Cerebral Palsy Day

▲ NIEPMD observed the National Cerebral Palsy Day from Oct.3 to Oct.8. Students with multiple disabilities of the Model School, NIEPMD organised a series of webinars on the various aspects of cerebral palsy. They also organised cultural programs for persons with cerebral palsy viz. yoga, dance, art, painting, fancy dress competition etc.

NATIONAL CEREBRAL PALSY DAY: EXPERTS HIGHLIGHT NEED FOR VOCATIONAL TRAINING

LUCKNOW: A virtual event on the National Cerebral Palsy Day was organised by Model School for children with multiple disabilities, cerebral palsy unit on Sunday.

This unit is under the National Institute for Empowerment of Persons with Multiple Disabilities (DIVYANGJAN).

"Children with cerebral palsy are also born with a purpose. We should encourage them and motivate the family," said chief guest Dr AK Purohit, neurosurgeon and founder of several groups for cerebral palsy.

Dr AK Purohit has 33 years of experience in working with children with cerebral palsy. He also highlighted the importance of vocational training for students with CP.

"Equity and inclusion should become the cornerstone of all educational decisions," said Dr Amitabh Mehrotra, director, SPARC India while giving a special address on inclusion of CP.

Nachiketa Rout, director, NIEPMD, Dr A Amarnath, deputy registrar administration (officiating), NIEPMD were present during the event. HTC
