

# TLM Kits Distribution Gujarat

## TLM kits for kids with disabilities

DC CORRESPONDENT  
CHENNAI, MAR. 1

The National Institute for Persons with Multiple Disabilities (NIEPMD), Chennai, collaborated with MOBIS India Foundation to distribute Teaching Learning Material (TLM) kits worth Rs 4.14 crores to 10,000 children with intellectual disabilities across the three states of Tamil Nadu, Madhya Pradesh and Gujarat.

As part of this pan India initiative, the 150 TLM kits were distributed at Special school in Gandhi Nagar, Ahmedabad and 3000 kits are allotted for Gujarat. The TLM kits act as efficient teaching tools for special educators and foster a germinating ground for differently-abled children to be able to grasp theoretical concepts with ease.

NIEPMD established in 2005, under the Government of India, Ministry of Social Justice and Empowerment, Department of Empowerment of Persons with Disabilities, continues to excel with commitment to achieve the objectives set by the Government of India touching the lives of thousands of families.

S. M. Abinaya, handling CSR at NIEPMD, has facilitated this pan India CSR project with an aim to nurture inclusiveness and learning and development of children with special needs.
