A.Ashok	Vocational Instructor
Mrs.C.Mala	Vocational Instructor

Followingly at the special session on A. Ashok Vocational Instructor delivered an inspiring lecture about “Life Skills & Management for Persons with Multiple Disabilities”.

Followingly at the special session, Mr Ashok Vocational Instructor has delivered an inspiring lecture on life skills and management of persons with multiple disabilities where in explained in detail about the life skills that are; self awareness, empathy, creative thinking, critical thinking, problem solving, decision making, coping with stress, interpersonal relationships, and effective communication. Highlighted the benefits of life skills and techniques to improve the life skills.

Sequentially Mr Gunasekar, Rehabilitation Officer DAIL shared the services of the Facilitation cell duly explaining the objectives of the NHFDC schemes & the networking of NIEPMD with State Channelizing Agency towards the promotion of Self Employment venture.

Recalled the earlier sessions on NHFDC schemes and highlighted the scope & benefits. Also stated that the DAIL is intended to arrange an interaction session with the Bankers shortly for the benefit of DAIL clients

Further specifically announced that the NIEPMD commencing the special one year Diploma course in Automation and Assistive technology, (affiliated by Bharathidasan university) for the persons with disabilities who have passed 10th standard and also advised the eligible DAIL clients to submit their application in time to avoid disappointment.

Also while briefing about the apprentice scheme stated that the Ministry of Education, Government of India is implementing the National Apprenticeship Training Scheme (NATS) for facilitating skill training to Graduates, Diploma holders in Engineering & Technology and Non Engineering Graduates (B.A., B.Sc., B.Com., BBA., BCA., etc.,) passed out candidates under the provision of the Apprentices Act 1961 on monthly stipendary basis. Markably, it's a wonderful opportunity for the persons with disabilities to avail on the Job training strengthening their employability skills

Followingly, Mrs Mala handled the feedback session and the suggestions/ requisition made by the participative parents during the session were recorded for evaluation. The Parents have placed their whole hearted gratitude to the DAIL for the beneficial special session on Life Skills & management and the meeting concluded with a vote of Thanks by Ms.Mala, Voc. Instructor.

Mr.Ashok –Vocational instructor , Explained about ,The World Health Organization has proposed a set of life skills, Life skills are essentially those abilities that help promote mental well being and competence in young people as they face the realities of life.

Life skills are:

- 1.Self-awareness
- 2.Empathy
- 3.Creative thinking
- 4.Critical thinking
- 5.Problem solving
- 6.Decision making
- 7.Coping with stress
- 8.Coping with emotions
9. interpersonal relationship
- 10.Effective communications

Going by the list of these skills, it is obvious that they are global in nature, encompassing both interpersonal and interpersonal skills. These skills are usually clubbed into three major categories:

- Thinking skills (critical thinking, creative thinking, problem solving, decision making)
- Personal skills (self-awareness, self-management)
- Interpersonal skills (communication skills, empathy, cooperation etc.)

Benefits of Life skills:

Life Skills education helps students build confidence in both communication and cooperative & collaborative skills, provide them with tools important for development, find new ways of thinking and problem-solving and provide methods on how to socialize, make new friends and recognize the impact of their actions and daily living skills.

5 Secret techniques to improve our Life skills:

- Communication and interpersonal skills.
- Resilience and Problem – solving skills.
- Assertiveness and self – control.
- Creative thinking and critical thinking.
- Decision making and problem solving skills.
