

# Inauguration of Skill Training

## Vocational skills for the differently abled

The Department of Adult Independent Living (DAIL) of NIEPMD has introduced an exclusive skill training programme, for persons with disabilities to prepare them to become economically independent. The training will prepare them to avail 4% job reservations notified in the Gazette.

Under this programme the beneficiaries will be trained to become domestic data entry operators. The course is covered

under the 'Scheme Implementation of Persons with Disabilities Act' (SIPDA) and approved by the Skill Council for Persons with Disabilities (SCPwD). About 10 persons with disabilities have enrolled in this course.
